

World premiere of the brandnew ACCUSTIC ARTS member of the TOP-Series

# POWER I - MK 3

A hot classic in the ACCUSTIC ARTS® product portfolio is doubtless the integrated amplifier POWER I which will now become even more attractive with its latest MK 3 version. The POWER I – MK 3 now offers an integrated first class head phones amplifier and can now also optional be equipped with a reference phono stage for MM and MC systems, which performs on the highest quality level like renowned external phono stages available on the market.
